

Ending Homelessness Committee
Minutes of 1/7/2009 meeting
Nashua City Hall

Present at the meeting were: Bob Mack, Wendy Furnari, Eileen Brady, Katie Merrill, & Carlos Salamanca (limited attendance due bad weather conditions – GNCOC meeting had been cancelled).

The meeting began at 9:00. Review of minutes from the 12/3/08 meeting; minutes approved.

General discussion regarding plan action items and homeless issues.

Discussed having additional reports from some of the meetings that GNCOC members participate in throughout the state, such as the shelter providers meeting, NH Coalition to End Homelessness, and NH Housing Forum.

Discussion regarding Revolving Loan Fund. The RLF Cmte met and discussed current economic situation. This may not be the best time for this program. However, discussion took place about using the fund for park rents for mobile homes, as this will still allow for a lien to be placed on properties. This may be a more feasible use for this fund in the current market.

Discussed LLD relationships. Wendy F. has contacted a local property management company and they have agreed to join us for discussion. Most likely for the next EHC.
