

**Committee on Ending Homelessness**  
**Minutes of the April 6, 2005 Meeting**  
Room 208, Nashua City Hall

Present at the meeting were: Mary Andosca, Paul Bergeron, Eileen Brady, Maria Brown, Lisa Christie, Alphonse Haettenschwiller, Linda Jeynes, Donna Juskiewicz, Peter Kelleher, Bob Mack, Bob Marks, Laura Nault, Klaas Nijhuis, Miles Pendry and Jean Russell.

K. Nijhuis called the meeting to order at 9:15 am and had everyone introduce him or herself.

Copies last year's and this year's SuperNOFA sections to be addressed by the Ending Homelessness Committee were passed out. K. Nijhuis said this was the assigned part of the SuperNOFA that this committee would be using its meeting time to work on today. He then asked all to take a few minutes to read through everything before starting. Then he led the committee through each part of the assignment, comparing last year's to the changes needed in this year's copy. Most of the meeting time was spent in this manner.

K. Nijhuis reported that the GAPS Committee needed to let everyone know that the homeless count form needs to be very carefully recorded by each agency. A lot of information received was incomplete and needed extensive follow up to complete an accurate count. If any one knows of any additional information that may have been omitted, please forward to the Urban Programs Dept. ASAP.

Minutes of the March meeting were reviewed. A few typo errors were noted. P. Kelleher motioned the minutes be accepted with corrections, L. Christie seconded and the motion carried.

The meeting was adjourned at 10:30 am

K. Nijhuis will e-mail everyone with the next meeting date.
