**Executive Committee:** The COC application was submitted. We need to make sure we comply with everything on that application, per HUD regulation. We will be working toward improvements in our system to align with goals in the application. Next month BRIDGES and NH Coalition against Domestic Violence will be presenting to us. Our new website will soon be live. With our planning grant, we are able to hire a GNCOC Coordinator that can help us with many important things that we all don't have time to do. Also discussed the VI-SPDAT and how we can better utilize this tool in conjunction with a by name list. It was discussed that the full GNCOC is not getting the minutes from this committee.

**Ending Homelessness committee:** B. Mack reported, Coordinated Entry was the focus of last month's meeting. Encouraged those who work with the CE to stay for the following meeting as we will be reviewing the intake form so we call all use it the same way. Sue Mead will be sending out a flyer to all about the benefits of a wraparound service meeting, which can be for a person or a family struggling with a variety of challenges.

**Data gathering Committee:** T. Lopez stated that this committee did not meet last month. Looking for a new chair to lead this committee.

**Employment Committee:** T. Lopez stated the committee met last month. Discussion in regards to the minimum wage fight that is currently happening. Discussed the issue with folks going to the DMV to get proof of residency and what they are challenged with. Donna Marceau recently attended a meeting in Concord about this and will be sending everyone information about it. The state of NH is very strict and it was advised if you have any issues to contact Maria directly at the DMV or contact Jen Smith at the Governor's office at 603-271-7676.

**Youth Committee:** D. Howard reported that the committee did not meet last month. He will be leaving his current job but will be available for technical support or for any questions in regards to the McKinney-Vento Vento act. Will also continue to be part of the GNCOC.
