

Committee on Ending Homelessness
Minutes of the April 17, 2006 Meeting
Special meeting regarding SuperNOFA
HHI, 45 High Street, Nashua

Present at the meeting were: Bob Mack, Wendy Furnari, Patty Julian (representing Eileen Brady), Peter Kelleher, Linda Jaynes, Lori Cardin, Mary Andosca, Laura Nault, and David Cull.

The meeting began at 1:10 pm.

Minutes from the April 5, 2006 meeting were reviewed. Peter Kelleher moved to accept the minutes, Wendy Furnari seconded. Motion passed unanimously.

Bob Mack facilitated the session in which we reviewed Chart N: CoC 10-Year Plan, Objectives and Action Steps Chart. This is the chart that the SuperNOFA committee delegated to the EHC. Most areas of the chart were filled in, with a few questions left unanswered. Wendy Furnari will bring the questions to Mary Auer, which are: #1 IS HUD truly expecting non-HUD funded agencies to participate in HMIS? Who is HUD expecting to be "in the system"? #2 relating to question 4, "increase the number of homeless persons becoming employed by 11%" we need clarification on the % increase. Are they looking for an actual number or a %? Do they want the info listed incrementally or a total over the 10 years? Peter Kelleher indicated that he may have a few more questions and he will address them with Mary Auer. Wendy will fill in the chart based on the work done today and we will review and finalize it at the next EHC meeting.

Meeting adjourned at 3:00 pm.

The next meeting will take place on May 3rd at 9:00 at City Hall rm 208.
