

Greater Nashua Continuum of Care

July 21, 2023

Good afternoon GNCoC,

The Greater Nashua Continuum of Care (GNCoC) has been notified that funding is available through HUD for the FY 2023 CoC Program Competition. The amount of funding expected to be available is estimated to be \$1,937,468 which is the minimum required to renew existing projects or to establish new projects through current funding reallocation. In addition, there is the opportunity to apply for "bonus funds", to support a new project with an approximate amount of \$140,000-150,000. New project types must be one of the following: Permanent Housing - Permanent Supportive Housing (PH-PSH), Permanent Housing - Rapid Re-Housing (PH-RRH), Joint TH and PH-RRH, dedicated HMIS, or Supportive Services Only Coordinated Entry (SSO-CE). This year, the Domestic Violence Bonus is available for an estimated amount of \$60,000- \$65,000. These funds are to be used toward providing housing and services to survivors of domestic violence, dating violence, and stalking. Funds from project reallocation may also be available.

We expect that HUD will release more detailed information, including final funding amounts and New Application Detailed Instructions for the Annual Continuum NOFO, in the coming weeks, month for the. Please keep checking [Continuum of Care Program Competition](#) page of HUD's website for more information. We will also send out additional information as it is received from HUD.

Any Applicants that wish to submit a NEW PROJECT and/or a RENEWAL PROJECT must submit a Letter of Intent by Friday, July 28, 2023, to Wendy LeBlanc at w.leblanc@harborcarenh.org. Complete PROJECT APPLICATIONS for ALL PROJECTS must be submitted by August 21, 2023 in eSnaps.

Letters of Intent should be prepared on agency letterhead, sent to Wendy LeBlanc at w.leblanc@harborcarenh.org and must include the following:

- 1) The program for which you are applying; (permanent housing, transitional housing and rapid re-housing, supportive services only, HMIS;
- 2) The amount of funds requested;
- 3) The number of people you propose to serve annually;
- 4) Any special target populations for which you are serving, (individuals, families, chronic homeless, veterans, youth, i.e.)
- 5) Whether the project is new or a renewal;
- 6) The name, email and phone number for the project key contact person

A submission of a Letter of Intent also implies consent to the following:

- 1) All clients served by the project must meet the homeless criteria as established by

HUD.

2) Recipient will enter client data into the GNCOC HMIS system

3) Recipient will spend funding (should it be received) in a timely fashion, drawing project funds on a quarterly basis at the minimum.

4) Recipient will complete all reporting requirements, including Annual Performance Reports (APR) as required by HUD and the GNCOC according to the due dates established.

5) Proposed project's assistance will include assisting program participants to achieve and maintain independent living and establishing a record of success (including but not limited to maintaining permanent housing for more than 6-months, increase of income through employment and connection with mainstream resources etc.)

6) Project will meet the Project Eligibility Requirements of the FY 2023 Notice of Funding Availability for the 2023 CoC Program Competition - General Section.

7) Recipient will participate in the annual point-in-time count, conducted during the last week in January.

8) Successful letters of intent for any new projects will also include agreement to provide a completed Project Application in accordance with the requirements outlined by HUD in accordance with the deadline set forth by the GNCOC.

Funds available for this award have been allocated to a variety of projects, and those projects currently receiving funds are required to request renewals through this process.

The GNCOC places priority on permanent housing projects for chronic homeless and families, which is in line with HUD's national focus. HUD's focus includes:

- **End homelessness for all persons** – Identify, engage, and effectively serve all persons experiencing homelessness – Have a comprehensive outreach strategy to identify and continuously engage all unsheltered individuals and families (veterans, youth, families, individuals, those experiencing chronic homelessness) – Determine the characteristics of those with the highest needs and long experiences of unsheltered homelessness to develop housing and supportive services tailored to their needs – Use the reallocation process to create new projects that respond to these needs
- **Create a systemic response to homelessness** – Use system performance measures to determine how effective the COC is in serving people who are homeless – Make sure Coordinated Entry process provides assistance quickly and makes homelessness assistance open, inclusive, and transparent.
- **Strategically allocate and use resources** – Review project quality, performance, and outcome data to determine how improvements can be made to the resources utilized to end homelessness
- **Use an Evidence Based Approach** – COC should prioritize projects that employ strong use of data and evidence including the cost-effectiveness and impact of homelessness programs on positive housing outcomes, recovery, self-sufficiency, and reducing homelessness.

- **Increasing Employment** – COC should work with local employment agencies and employers to prioritize training and employment opportunities for the homeless and COC should promote partnerships with agencies that promote employment.

- **Providing Flexibility for Housing First with Service Participation**

Requirements – The traditional Housing First Approach has two parts: 1. Individuals are rapidly placed and stabilized in permanent housing without any preconditions 2. Once in housing individuals never face requirements to participate in services as a condition of retaining their housing.

New Projects created through Reallocation or COC Bonus Projects can include:

- Permanent Housing – Permanent Supportive Housing
- Permanent Housing – Rapid Rehousing Projects
- Joint TH and PH-RRH
- Dedicated HMIS
- Supportive Services Only – Centralized Entry/Coordinated Assessment
- New Projects for DV Bonus
- Expansion Projects – Eligible under the DV Bonus, Reallocation, and COC Bonus to expand existing projects that will increase the number of units, people served, services provided, or to additional activities to HMIS and SSO Projects.

- Consolidated Projects
- Transition Projects

Renewal projects can include:

- Permanent Housing (including rapid re-housing and permanent supportive housing)
- Supportive Services Only
- Homeless Management Information System (HMIS)

With regards to renewal projects HUD will allow the following:

- Project applicants can transition an existing renewable component to another component – i.e. TH to PH-RRH. To take advantage of this, the project applicant must use the reallocation process to relocate the existing eligible renewal component to one of the eligible new project components: PH-PSH, PHRRH, Joint TH and PH-RRH, dedicated HMIS, or SSO-CE. The term of the new grant must be for 1 year.
- Eligible renewal project applications will have the ability to consolidate up to ten renewal projects into one application during the application process. Prior to beginning the consolidation process, the applicant should contact their local

HUD office to determine each project is eligible for consolidation. HUD will not permit a TH Project to be consolidated with any other project.

- COCs can shift funds in whole or in part from existing renewal projects to create one or more new projects without decreasing the COCs ARD. The new project must meet project eligibility and project quality thresholds established by HUD.

Eligible Project Applicants include nonprofit organizations, States, Local governments, and instrumentalities of State and local governments, and public housing agencies. For-profit entities are not eligible to apply for grants or to be sub-recipients of grant funds.

All project applicants seeking funding under this NOFA must have a DUNS number and include the number in their letter of intent. All project applicants seeking this funding must also have an active SAM (System for Award Management) registration. (SAM replaces the Central Contractor Registration (CCR). Go to www.SAM.gov for more information.

To learn more about the process and to gain a better understanding of the allowable programs, you may access the Notice of Funding Availability for the Continuum of Care Program Competition at the HUD Exchange at: <https://www.hudexchange.info/programs/coc/>

The GNCOC has established a Prioritization and Evaluation Committee that will review the letters of intent, and notify the applicant as to whether the project:

- Meets the priorities of the GNCOC Strategic Plan and
- Meets the requirements of HUD for funding.

Upon notification from the Prioritization and Evaluation Committee that a project meets the above criteria, a project applicant must then complete its application and submit its application by the deadline. The committee will review and rank the applications for submission as part of the GNCOC Application.

Applicants who are chosen, or who are not chosen, for submission will be notified by August 29, 2023.

Assistance with information on where to access technical assistance on HUD's website can be found will be provided soon. Once HUD releases more information on this year's FY 2023 CoC Competition and applications. In the meantime please keep checking for details on project applications and CoC Competition information at [Continuum of Care Program Competition page of HUD's website](#). Further, a copy of the CoC Consolidated Application is available upon request by contacting the GNCOC.

HUD hasn't released the New Application Detailed Instructions for the Annual Continuum NOFO yet. But once it has been released the GNCOC will let you know but in the meantime please keep checking for updates on [Continuum of Care Program Competition page of HUD's website](#).

The GNCOC appreciates your assistance in this process and the work your agency does to help the homeless in our area. If you have any questions on any of this, please let me know.

Thank you,
